## Making Questions

*Make up questions based on your story/book and write them into your notebook.*

### 5 Detail Questions

*The answers should be right there in the story/book.*

*Use words like this to begin your questions.*

*What...? Who...? Where...? How...? How many...? Why...? When...? Write the page numbers of where to find the answers beside your questions.*

### 5 Thinking Questions

*The answers come from your head. Use words like this to begin your questions:*

*What do you think...?*

*Why do you think...?*

*How would you feel if...?*

*In your opinion, why...?*

*Write the page numbers of where to find the answers beside your questions.*
